Brothers and Sisters

During this difficult time, while the Union Hall and Training Center remains closed to foot traffic, we are keeping the Hall open for any information that the members may be looking for. Please feel free to reach out to Nigel (613-327-7317) Marc (613-314-7318) or myself (613-402-3446).

We are posting any new information we receive on our website, Facebook and Instagram in an attempt to keep the membership up to date.

While the situation is changing rapidly, the construction industry remains open. I ask that you practice the guidelines put in place by the industry and hold the contractors to these guidelines. Everyone must do their part to keep the construction sites as safe as possible.

Again, please reach out to us with any questions or concerns you may have, and we will do our best to address your issues in this ever-changing situation.

Fraternally,

Don Melvin  
Business Manager, FS/T
